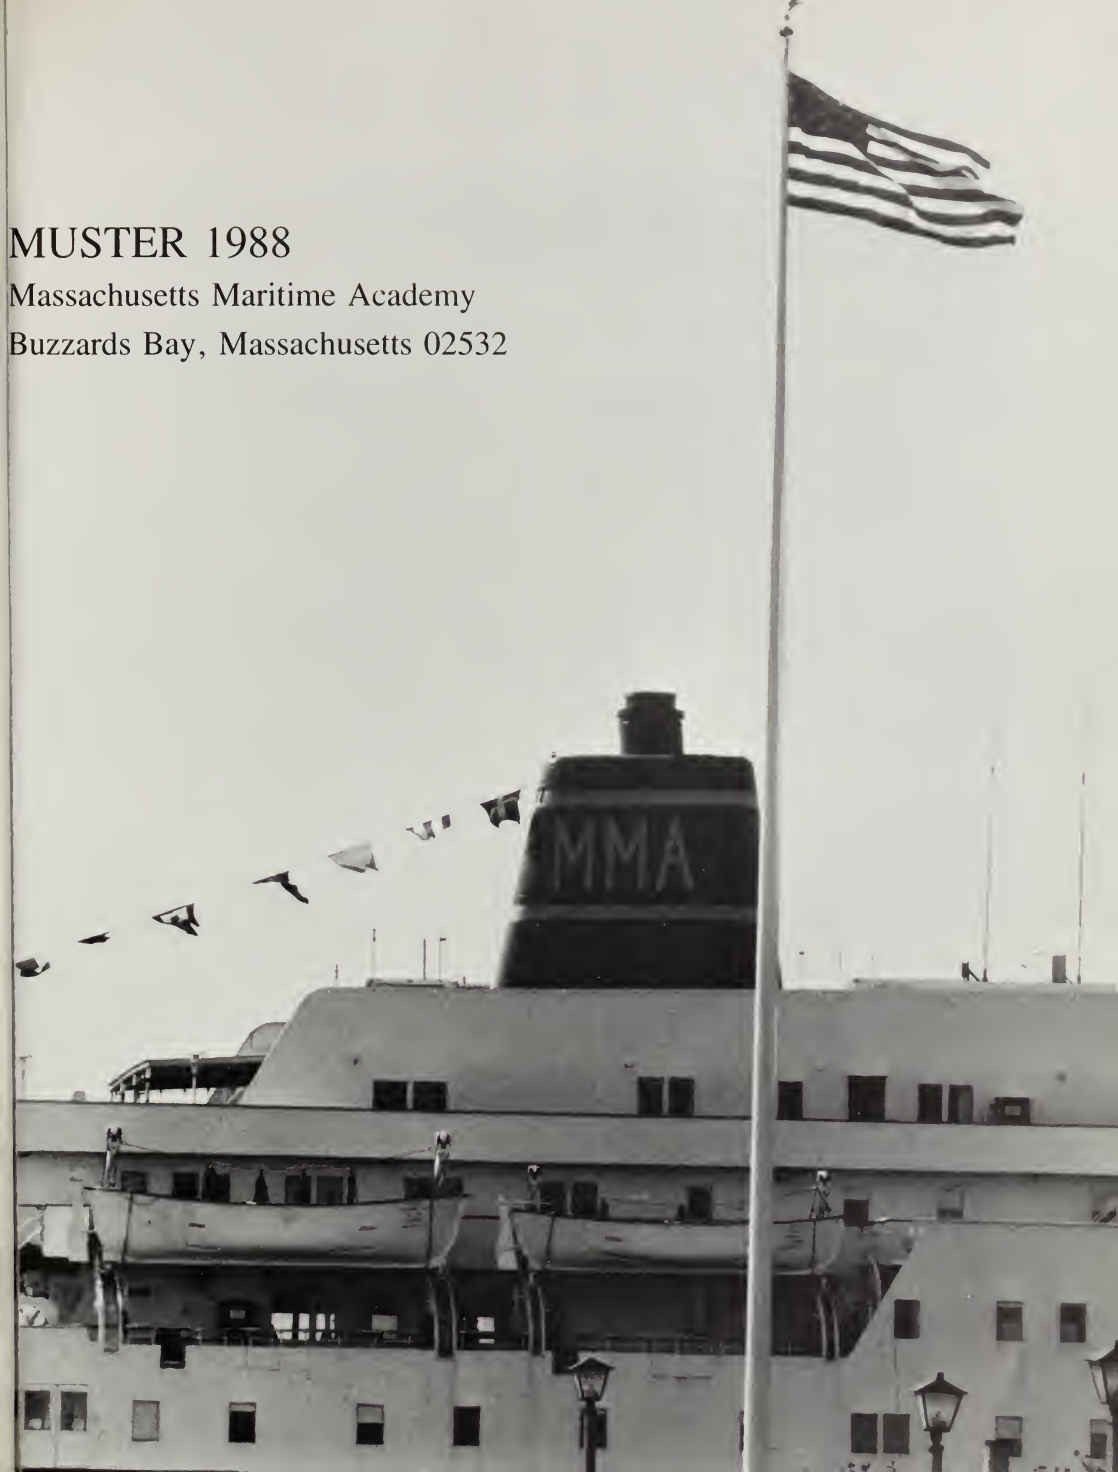
MUSTER 1988

Massachusetts Maritime Academy
Buzzards Bay, Massachusetts 02532



DEDICATION

The Class of 1988 would like to dedicate their Yearbook to Gerry Giordano — "Mrs. G". Every day she greeted us with a smile to give us our mail, and when we didn't get mail she always had the right thing to say to cheer us up.

Mrs. "G" came to Mass. Maritime in January of 1980. Being a retired hairdresser, she wanted a job to keep busy, and keep her busy we did!

She is leaving us to retire with her husband in Florida. Mass. Maritime is not just losing a hard worker, but a good friend. We wish her many happy and relaxing years in her retirement.

SPORTS

FOOTBALL '87

The 1987 Buc football season started on a cold rainy day. Our opponents were Curry College who we were looking to pay back for a close loss back in the 1986 season. Despite an outstanding effort by the Buc defense, a few big plays by Curry cost us the game.

We had to put this one behind us because our next opponent was Maine Maritime Academy up in Castine. For the third year in a row the Buc's came out of Castine with the Admiral's Cup. For the seniors the Cup has been here our whole careers. The combination of good offensive play and another solid defensive effort led by a Tim January interception for a TD was the difference.

Nichols, the next week back home on Parent's Day, is one of the game this year that is hard to forget. A last minute touchdown by Nichols gave the Bison's a tough faught 14-10 victory. Coach told us there were five more games left in the season and next week we started our divisional games with Fitchburg St., so put this one behind us.

Fitchburg St. was a better team than their

record showed. The Buc's came out of Fitchburg with a close 15-7 victory. Jaime Roberge was the key to this game with a touchdown and a two point conversion both on bad snaps. We evened our record to 2-2.

The next week we were back on our home field for Homecoming vs. Westfield St. The way the Bucs came out it looks like we were unstoppable. We went into the Locker room with a 9-6 half-time lead. In the second half we just broke down and when the final whistle sounded we were Looking at a 2-3 record.

Bridgewater St. was the highlight of the season. This game and Maine Maritime are our two big games of the year. This was the 9th annual Cranberry Bowl between Bridgewater St. and Massachusetts Maritime Academy. The seniors have not known a year when the "scoop" was not in the Buc trophy case and we did not plan on losing it. At the end of the first half the chances of the Buc's retaining the "scoop" looked dim. We were down 17-0. In the locker room we said we had nothing to lose and let's go play Like we know we can. With seconds to play Dan Lewis kicked a field goal to take the lead 18-17. The Buc's once again had the "scoop".

Framingham St. was the most solid game of the season for us. With a touchdown from Nardone to Red on our opening possession we had the Lead and never Looked back. We went on to win 28-7 and raise our record over .500 for the first time this year. Just as important as us winning this game was Bridgewater St. beating Westfield St. 35-7. this meant that next week when the Bucs travel to Worchester St. the game will be for the South Division championship game.

We came out strong, and at half-time we were up 12-0. The second-half we fell apart and ended up losing 31-18. Even though we Lost this game the seniors and underclassmen were proud of our season. We ended up our season 4-4 keeping coaches non-losing season streak alive. Obviously we would have loved to go on and play in the NEFC championship but it just wasn't in the cards and life must go on.

Good Luck to the '88 Bucs.

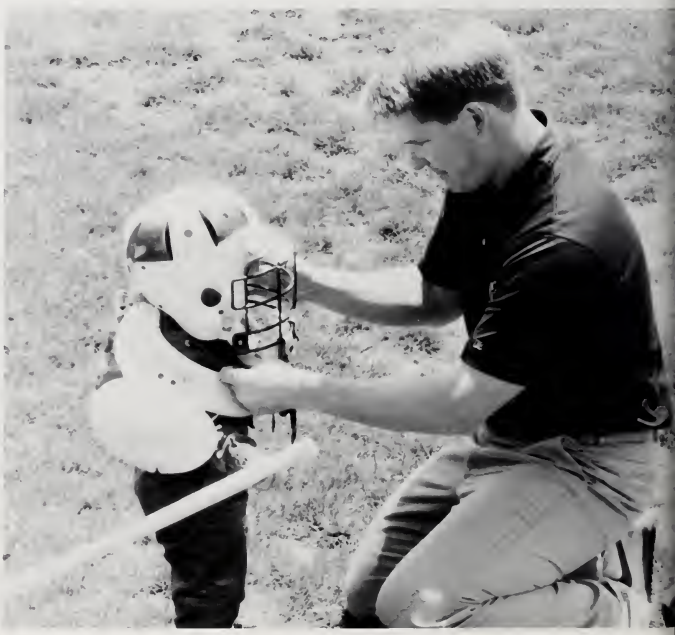
LACROSSE

Captained by Bill Doherty & Paul Millette

The 1988 Lacrosse Team captained by Bill Doherty and Paul Millette celebrated its best record in 11 years of 8-3. In 1988 and '87 the Lacrosse team had the most winningest record of all the Varsity sports.

The team with a good nucleus of seniors such as the two captains and Walter



Crowell — honorable mention all American, Matt Forrest and Greg Wall had a number of all stars even an honorable mention all America. The credit for the season's success goes to the whole team, especially those that were on the sideline and gave you a pat on the back and an atta boy. That made it a total team victory.

Johnson and Wales at MMA 18-6 win
Maritime Tournament
MMA vs. Maine Maritime 12-10 win
MMA vs. New York Maritime 18-6 win
Cruise
MMA vs. Barbados 12-10 win
Record 5-0-1

The 87-88 season was the most successful for the Mass. Maritime Rugby Club in many years. Our one tie came from a close game with the Coast Guard Academy (Division II champions of N.E.R.F.U.). The rugby team officially entered the union which will insure higher quality competition for years to come.

Mass. Maritime was also the host of the second annual maritime rugby tournament, with N.Y. Maritime and Maine Maritime as our guests. It was a weekend to remember as the Buccaneers took first place.

Good Luck to the Rugby Club in the future from the Class of 1988. Show those Ivy boys what real Rugby is!!!

Coach/Advisor — Lt. Alan Hansen

HOCKEY CLUB

The Hockey Club had a productive, yet once again abbreviated season due to winter cruise. The Bucs did not fail to provide excitement, and proved to be able to draw large crowds for their home games. Four year veteran Bill Heeney was elected Captain this year and other top seniors included J Henderson, Artie Lonergan, John Maff J.J. Cummings, Bob Downey and Mi Purcell. High hopes are held for next yea team. Good Luck!

AIPE

During the 1987-88 calendar year, the merican Institute of Plant Engineers chap- r has sponsored several guest pres- ntations and a tour of the Pilgrim Nuclear Power Station. Our organization is only in its second year, but it is expected to mature into a major portion of the engineering academic curriculum.

BIG BROTHER, BIG SISTER

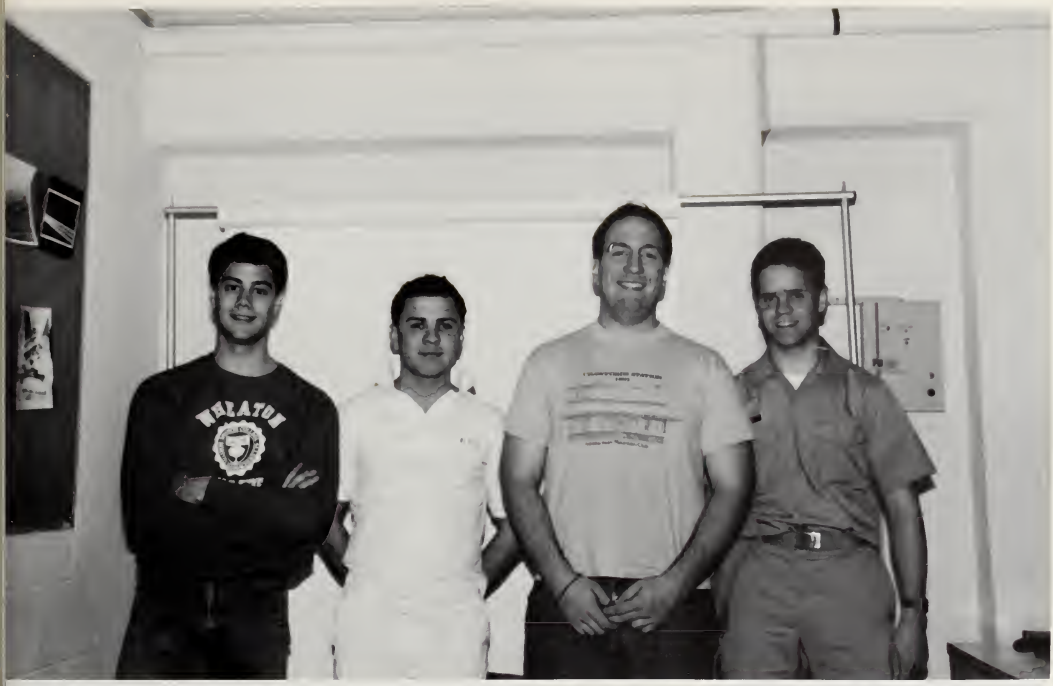

PHOTO CLUB

BOXING CLUB

The boxing club had three fight nights on cruise this year. All three were a great success. Appreciation and thanks goes to all those that helped to make it a success. Especially to those that helped us get the mat from the gym and then back down there again.

I hope this will continue the boxing tradition on cruise as a good time for all.

Special thanks to Lt. Duggan for his time, effort and help and his interest in getting the fights off the ground.

William F. Doherty
President, Boxing Club 1988

FRESHMAN FORMAL

RIFLE TEAM

"Did you win last night?"

"No,"

"When was the last time you won?"

"About two and a half years ago."

This is pretty much what a typical Tuesday morning is like for the Mass. Maritime pistol team. The team record is terrible but they still enjoy shooting against the other teams in the Cape Cod Pistol League. The Academy is the only school in the League and is one of only two teams with females on the firing line.

Maritime shoots both its home and away matches at the range in the gymnasium. The range, according to the team's opponents, is the finest in the League.

The members of the opposing teams are older and more experienced than the cadets. They average 15-20 years shooting experience, whereas Maritimers average about 1 year of shooting experience, whereas Maritimers average about 1 year of shooting experience. Consequently, the war veterans and gunshop owners are a most always better shots than the cadet therefore, maritime repeatedly gets its [EX PLETIVE] kicked.

Team Captain D.S. McNamara pride himself on being the recipient of th League's 1986-87 6th place (out of teams) trophy. Last year's team worke hard to earn its 0-24 record. He eager awaits receipt of a similar award for th 1987-88 season.

In an effort to upgrade its equipment, th team is selling its current firearms, Hig Standard .22 caliber long rifle pistols, to bu new Smith and Wesson Model 41 .22 ca ber long rifle pistols.

It is doubtful that new firearms will im prove the team's scores, but deep with their souls, they retain hope that mayb someday, somehow, they might, on an ou side, one in a million, slimmer than nor win a match.

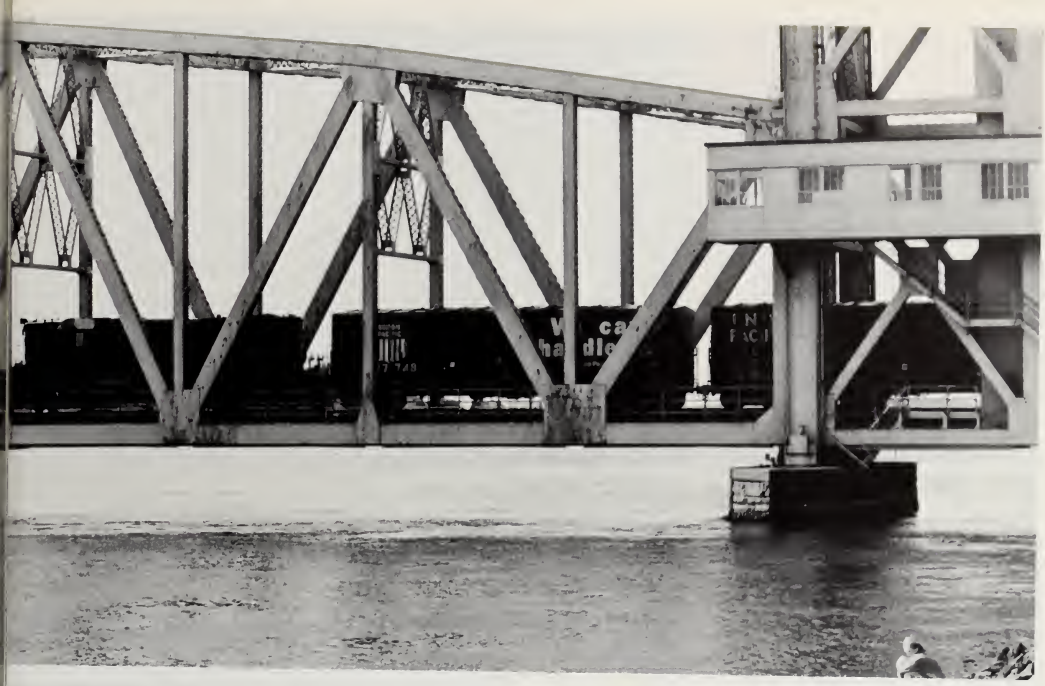
MAN OVERBOARD!

AMERICAN-MONEY



We can
handle it.

You are cordially invited to attend the
Class of 1988 Ring Dance
to be held
Friday, the seventeenth of June
cocktails and hors d'oeuvres at seven p.m.
dinner at eight p.m. dancing until mid-night
Music by Roomful of Blues
Roseeliff Mansion
Newport, Rhode Island
Cadets "choker" White Guests Formal

After the most academically grueling week of our lives taking five days of Coast Guard Exams, it was over, and it was time to celebrate! The Ring Dance is a yearly event for senior cadets at the nations six maritime academies. We, of course, had the best. The gala event was held at the Rosecliff Mansion in Newport, Rhode Island. The cocktails started at seven and flowed all night. The dinner was held in the ballroom at Rosecliff, Newport's largest ballroom. Dinner included prime rib or baked stuffed shrimp, salad, vegetable, chocolate mousse for dessert, and many, many different drinks. After dinner, the band fired up their instruments for a full evening of dancing. Roomful of Blues played "Lookey Bear", "Yapple Dapple", and other various jazz tunes. Cadets and faculty danced into the night while others strolled out back by the huge fountain and down to the wall by the shore. As the evening grew to an end and the band played its last tune, seniors began to say goodbye to each other. Reality set in. Some were off to distant jobs, others were off to sea. One of the strongest memories of Massachusetts Maritime Academy was etched well inside us.

Massachusetts Maritime Academy
Buzzards Bay, Massachusetts

145th

Commencement Exercises

Class of 1988

25 JUNE AT 1000 HOURS

The 145th Commencement Exercises was held on a beautiful June morning at Massachusetts Maritime Academy. There were over one thousand people including 142 graduates attending the ceremony which capped off four years of rigorous academic and hands on training. The guest speaker on this day was U.S. Representative Silvio O. Conte, a republican representative from Massachusetts' 1st Congressional District. Mr. Conte was a "stalwart supporter of the school, offering years of consistent and unwavering help." He spoke of our bright futures and hope. His speech was light, clean, very positive and over in a flash. It ended with an Italian phrase translated "Wake up pal, the speech is over."

Our Class President, David Kallal spoke of the support we received from our families. This was emphasized by the plane flying overhead; "Congrats Mitch!"

Many awards were given to Cadets in the Class of '88 including the Class Valedictorian, Brian Cosgrove. Brian's speech reflected a few major experiences from our four years such as that hot August day in 1984, no sophomore cruise, hurricane Gloria, and Coasties.

After it was all done, three cheers were given for those we left behind, and the covers were flying well into the air. Good Luck Class of 1988. May calm Seas and fair winds stay with us.

OF
1988

Something's missing from your Academy days, but you can't put your finger on it?

Now you can!

You graduated without a MMA ring and never thought you'd miss it. But things are different now. Pride, success, achievement — everything symbolized by a MMA ring is more important to you than ever before. Especially the memories.

Here's your chance to order the same MMA ring we made for the Class of 88. For complete details, call or write:
